Title: GONADOTROPHINS IN PLANTS)	

Commissioner for Patents
Mail Stop Patent Application
P.O. Box 1450
Alexandria, VA 22313-1450

INFORMATION DISCLOSURE STATEMENT

Pursuant to 37 C.F.R. §§ 1.97-1.99, Applicants submit the references listed on the enclosed PTO form 1449. This Information Disclosure Statement is in compliance with the continuing duty of candor as set forth in 37 C.F.R. § 1.56 and is being filed with the application.

Under 35 USC 120, this application relies on the earlier filing date of application serial number 10/133,205, filed on April 26, 2002. Hard copies of the references identified on the PTO Form 1449 were submitted to and/or cited by the Office in the prior patent application and, therefore, are not provided in this application.

In the judgment of the undersigned, portions of the listed references may be material to the Examiner's consideration of the presently pending claims. However, the references have not

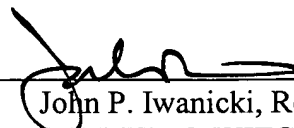

been reviewed in sufficient detail to make any other representation and, in particular, no representation is intended as to the relative importance of any portion of the references. This statement is not a representation that the listed references have effective dates early enough to be "prior art" within the meaning of 35 U.S.C. § 102 or § 103.

Please apply any charges or credits to Deposit Account No. 19-0733.

Respectfully submitted,

Dated: April 21, 2004

By

John P. Iwanicki, Reg. No. 34,628
